We are excited to announce that Joe Surges will be back to host a Public Records Act class! He will cover an overview of what the Public Record Act is and the exemptions applicable to the many requests of offices get. Whether you've been a Records Supervisor or Manger for months or years, there is always something new to learn about PRA! Bring your questions or examples to discuss which we will try to cover if we have time at the end.

If you've been to a CLEARS seminar, then you've probably been in a class hosted by Joe, the most popular being Public Records Act. Joe was with the Concord PD since July of 2000 as the Records Manger and retired in 2016. His retirement was short lived because he was quickly recruited as the Records Manager for Oakley and has remained there since. In addition, Joe has been an instructor for the last 13 years, teaching POST certified courses. He has served on the POST State Records Manual Revision projected and worked with POST on curriculum revision of the POST Basic Records and Records Supervisor courses. He continues to be relied on for his vast knowledge and we are proud to host him!

SEATS ARE LIMITED!
